Huy Nguyen

Third Year Undergraduate

Your Name

Round Rock, Texas 78665

512.629.8620
nguyenh1431@gmail.com

Skills

- Programing Languages: Python, C++, Javascript
- Web Development: HTML, CSS, React, Node
- Database: SSMS, Transact-SQL, SSIS, MySQL Server
- Other: Git, Visual Studio Code

Experience

Texas A&M University / Teacher Assistant in CS Course

AUGUST 2019 - DECEMBER 2019

Helped introduce students to introductory concepts of CS in a beginner's python course. Worked with fellows TA to help the professor streamline the class and facilitate a better learning experience for the students.

Internship / Data Engineer at CSG

JUNE 2020 - AUGUST 2020

Used Python along with T-SQL to update and maintain databases on a day to day basis. Worked on tickets that involved managing and updating data in various databases as well as implementing business rules.

Personal Project / Chess

NOVEMBER 2018 - APRIL 2019

Created a fully functioning game of chess between 2 players with all the complex rulesets such as en passant, castling, threefold repetition, etc. The purpose of the project was to practice project workflow on a complicated program with multiple components working together.
